## Occupational Health and Safety Policy

MDF Group is a provider of building services upgrades, repairs and maintenance of commercial/industrial buildings.

MDF Group recognizes that a commitment to ensure the health, safety and welfare of employees is an essential requirement of all company operations. Accordingly MDF Group has developed an Integrated Management System that is based upon and is maintained in accordance with the requirements of AS/NZS 4801.

It is the policy of the MDF Group that its operations are executed in compliance with statutory requirements, established standards, and our own safety principles and rules, both in spirit and within legal requirements.

The policy is of direct concern to all employees and sub-contractors, who are in turn accountable to MDF Group Pty Limited. The effect of this policy is under constant review. Measurable objectives are established and are monitored.

All employees have a major role to play in maintaining the highest standards of Occupational Health and Safety. Every employee has no more important duty or responsibility than to ensure that his or her work is carried out safely.

MDF Group is committed to providing and promoting conditions of work which facilitate a safe and healthy environment for each employee. We have a fine safety standard and we aim not only to maintain this standard, but to continuously improve it.
